

**MP1 Community Council  
Mail Posts & Mail Box**

Here's what you can do to improve the looks of your mailbox.....And comply with the MP1 Deed Restrictions and enforcement that will begin July 1st. Contact the MP Community Council for a volunteer to come and clean and or paint your mail post (\$40.00)

**Contact Via Email: mp1cc@yahoo.com**

Wood Post with the Mail post protectors help protect the wooden post from being chewed up by the weed-eaters and mowers and are durable.

The MPCC works with a company and buys in bulk and will be able to give you a good price for the guards.

**Tips to Self Clean and Repaint:**

1. Use a mixture of 2-4 ounces of bleach + 1 Tablespoon dish soap + 1 gallon of warm water.
2. Use a rag and scrub brush to clean off dirt and grime.

*It may look so good it won't need painted.*

**Approved Paint Colors:**

**Mail Post:** Behr/Pecan Sandie 700C-3 or Glidden Beige GLC111; **Mail Post Trim:** Adventure PPG 1151-6
