

The Meadow Pointe BOS has approved the use of PVC Mail Box Post as an option to residents. There is a sample of the PVC post at the clubhouse. Maintaining your mailbox and post is a part of the deed restrictions of Meadow Pointe. This is a reminder to all residents to clean and maintain your mailbox.

Tips to Clean and Repaint:

Use a mixture of 2-4 ounces of bleach + 1 TBS dish soap + 1 gallon of warm water. Use a rag and scrub brush to clean off dirt and grime.

If you are in need of mail post repair, painting or replacement, please **EMAIL** the Meadow Pointe Community Council at mp1cc@yahoo.com. Your community council group can provide either the **Wooden OR PVC type posts** for all MP1 residents. Please contact at mp1cc@yahoo.com for pricing. We also sell guards for the posts.

If you are looking to **repaint** your mail box post yourself **below** are the **Approved Paint Colors**:

Mail Post: Behr/Pecan Sandie 700C-3 or Glidden Beige GLC111, Mail Post Trim: Adventure PPG1151-6.

Mail Post by Ron:

Includes PVC post, numbers and installation. Call Ron 813-431-1901 for scheduling.

\$150 – PVC Post and Installation

\$25 - White Mailbox
